

FADRA Scholarship Guidelines and Criteria

FADRA awards up to three \$1,000 scholarships to employees, their children and/or grandchildren of non-owner FADRA Member employees and Associate Members attending various colleges or night school. Children/students who demonstrate potential and interest in pursuing an undergraduate degree are eligible to apply. Scholarships are awarded per calendar year.

Eligibility Criteria

- Candidates are required to have been approved for admission at a Qualified Community, State College or Night School.
- The applicant must have a minimum cumulative grade point average of 2.70/4.00.
- An official copy of the candidate's high school transcript, or prior year's college transcript, must accompany the application.
- All Candidates must submit a one-page essay expressing their reasons for choosing a desired field, why they think they should receive the scholarship, and an overview of their future aspirations.
- Two recommendation letters are required: One from a FADRA Member, and One personal reference. Examples include: counselor, high school teacher who is familiar with the candidate, college professor or personal acquaintance.

Note: Selection emphasis will focus on coursework while in high school or college, course distribution, activities, the one page essay, and recommendation letters, rather than standardized test scores as a predictor for success.
